## STATEMENT

This matter is before the court on Plaintiff Lawrence Coleman's ("Coleman") second motion for leave to proceed *in forma pauperis*. On May 8, 2008, we denied Coleman's first motion for leave to proceed *in forma pauperis*. We also gave Coleman until May 28, 2008, to either pay the filing fee or file an accurately and properly completed *in forma pauperis* application form. We warned Coleman that if he failed to either pay the filing fee or file an accurately and properly completed *in forma pauperis* application form by May 28, 2008, this action would be dismissed. Coleman has failed to pay the filing fee and instead has filed the instant motion for leave to proceed *in forma pauperis*. Coleman has failed to provide any information on his instant *in forma pauperis* application form concerning his prior employment. Also, although Coleman indicates on his instant *in forma pauperis* application form that he has not received more than \$200 from any source in the last twelve months, the prison trust account statement provided by Coleman shows that in the last twelve months he has received deposits from a Teresa Coleman totaling approximately \$650. Thus, since Coleman has not submitted an accurately or properly completed *in forma pauperis* application form and he has not paid the filing fee by the deadline, we dismiss the instant action.
